Charge Policy

Neither students nor adults will be allowed to charge meals. The Child Nutrition Department will send "low balance" letters home with students to remind parents to send money. We will also provide envelopes to elementary students for breakfast and lunch payments. We also have an online payment option available. Please visit our district website, www.brookhavenschools.org, and click on cafeteria payments and follow the prompts to set up an account or visit the Child Nutrition website at www.olebrookcafe.org and click on My School Bucks. You may also sign-up to receive emails to alert you to your child's balance on account. We will make every effort to ensure that parents know the child needs money on their account. If the child comes to the cafeteria and does not have money, he or she will be sent to the office to borrow money or to call home for money. Repayment of the loan is the responsibility of the student/parent.

If you have questions regarding this do not hesitate to call the Child Nutrition Office at 601-833-2886.
